- (viii) Support, protect, and defend the integrity of the Life Activated Brands business opportunity.

1.2 Code of Ethics

- a) Life Activated Brands desires to provide its Independent Business Owners with the best products and Compensation Plan in the industry. Accordingly, Life Activated Brands values constructive criticism and encourages the submission of written comments addressed to the Life Activated Brands Compliance Department.
- b) Independent Business Owner negative and disparaging comments about Life Activated Brands, its products, these Policies, or Compensation Plan, made to Life Activated Brands, or to the field or at any Life Activated Brands meeting and/or event, or disruptive behavior at any meeting and/or event, serve no purpose other than to dampen the enthusiasm of other Independent Business Owners and Customers. Life Activated Brands Independent Business Owners must not belittle Life Activated Brands, fellow Life Activated Brands Independent Business Owners, Life Activated Brands products or services, the Compensation Plan, or any and all Life Activated Brands directors, officers, or employees, product suppliers, or agents. Such conduct represents a material breach of these Policies and Procedures and may be subject to sanctions as deemed appropriate by Life Activated Brands.
- c) Life Activated Brands endorses the following code of ethics:
 - (i) A Life Activated Brands Independent Business Owner must show fairness, tolerance, and respect to all people associated with Life Activated Brands, regardless of race, gender, social class, or religion, thereby fostering a "positive atmosphere" of teamwork, good morale, and community spirit.
 - (ii) An Independent Business Owner shall strive to resolve business issues, including situations with upline and downline Independent Business Owners, by emphasizing tact, sensitivity, and goodwill; and taking care not to create additional problems.
 - (iii) Life Activated Brands Independent Business Owners must be honest, responsible, professional, and conduct themselves with integrity.
 - (iv) Life Activated Brands Independent Business Owners shall not (a) make disparaging statements about Life Activated Brands, other Independent Business Owners, Life Activated Brands employees, product suppliers or agents, products, services, sales, and marketing campaigns, or the Compensation Plan, or (b) make statements that unreasonably offend, mislead or coerce others.
- d) Life Activated Brands may take appropriate action against an Independent Business Owner if it determines, in its sole discretion, that an Independent Business Owner's conduct is detrimental, disruptive, or injurious to Life Activated Brands or to other Independent Business Owners.

1.3 Life Activated Brands Statement of Policies & Procedures and Compensation Plan Make Up the Independent Business Owner Agreement

- a) Throughout these Policies & Procedures, when the term “Agreement” is used, it collectively refers to the most current version of the Policies and Procedures in effect and any addendums thereto, the Compensation Plan, and any and all social media guidelines or any other guidelines which may be implemented from time to time and any amendments thereto. The Compensation Plan is attached as Addendum 1 and is incorporated herein by reference for all purposes.
- b) It is the responsibility of the Enrolling Independent Business Owner to provide the most current version of these Policies and Procedures (available on the Life Activated Brands website www.lifeactivated.com), the Income Disclosure Statement, the Life Activated Brands Compensation Plan, and any and all social media guidelines or any other guidelines which may be implemented from time to time and any amendments thereto to their downline Independent Business Owners. The Income Disclosure Statement is attached as Addendum 2 and is incorporated by reference for all purposes.

1.4 Purpose of Policies & Procedures

- a) Life Activated Brands is a direct sales-based networking company that markets products and services through a network of Independent Business Owners. To clearly define the relationship that exists between Independent Business Owners and Life Activated Brands, and to explicitly set a standard for acceptable business conduct, Life Activated Brands has established these Policies and Procedures.
- b) Life Activated Brands Independent Business Owners and Customers are required to comply with; (i) all of the Terms and Conditions set forth in the Agreement which Life Activated Brands may amend from time to time in its sole discretion; and (ii) all Federal, State, and/or local laws governing his, her and/or its Life Activated Brands business.
- c) Life Activated Brands Independent Business Owners must review the information in these Policies and Procedures carefully. Should an Independent Business Owner have any questions regarding a policy or procedure, the Independent Business Owner is encouraged to seek an answer from their Enroller or any other upline Independent Business Owner. If further clarification is needed, the Independent Business Owner may contact the Life Activated Brands Customer Service Team by submitting an email to: support@lifeactivated.com.

1.5 Changes, Amendments, and Modifications

- a) Because Federal, state, and local laws, as well as the business environment, periodically change, Life Activated Brands reserves the right to amend the Life Activated Brands Agreement as well as the prices in its *Product Price List* as set forth on its website in its sole and absolute discretion. Notification of amendments shall appear in official Life Activated Brands materials, Life Activated Brands website, social media outlets, or Independent Business Owner back office.
- b) Any such amendment, change, or modification shall be effective thirty (30) days following notice by one of the following methods:
 - (i) Posting on the official Life Activated Brands website;

- (ii) Electronic mail (e-mail); or
- (iii) Any Life Activated Brands communication channels or social media outlets (i.e., Facebook, Instagram, Twitter, and/or Life Activated Brands App).

2.0 BASIC PRINCIPLES

2.1 Becoming A Life Activated Brands Independent Business Owner

- a) To become an Independent Business Owner, an applicant must comply with the following requirements:
 - (i) Be of the age of majority (not a minor) in his or her state of residence;
 - (ii) Reside or have a valid address in the United States or U.S. territory in which Life Activated Brands is licensed to operate.
 - (iii) Have a valid taxpayer identification number (i.e., Social Security Number, Federal Tax ID Number (TIN), or federal Business Number;
 - (iv) Enter a verified mobile phone number, which is not in use or associated with any other Life Activated Brands accounts, which will be verified through a verification code sent to the number.
 - (v) Acknowledge and agree to all communications sent by Life Activated Brands, (including but not limited to emails, texts, broadcasts, letters, etc.) with the choice to “opt out” of these communications.

2.2 New Independent Business Owner Registration

- a) A potential new Independent Business Owner may self-enroll on any Independent Business Owner/Enroller’s website, subject to acceptance by Life Activated Brands of the Life Activated Brands Enrollment Application (the “Application”) and “electronic signature” stating the new Independent Business Owner has agreed to all terms and conditions of the Agreement. Please note that such electronic signature constitutes a legally binding agreement between the Independent Business Owner and Life Activated Brands.
- b) Signed documents, including, but not limited to, Independent Business Owner Agreements, are legally binding contracts which must not be altered, tampered with, or changed in any manner after they have been signed. False or misleading information, forged signatures, or alterations to any document, including business registration forms, made after a document has been signed may lead to sanctions, up to and including involuntary termination of the Independent Business Owner position.
- c) If one applicant enrolls creating an Account listing a certain Enroller and enrolls a second time listing a different Enroller, only the first completed form to be received by Life Activated Brands will be accepted. Life Activated Brands reserves the right, at its sole discretion, to make the final decision with respect to all such disputes.

3.0 LIFE ACTIVATED BRANDS INDEPENDENT BUSINESS OWNER RESPONSIBILITIES

3.1 Correct Address

- a) It is the responsibility of the Independent Business Owner or Customer to make sure Life Activated Brands has the correct shipping address before any orders are shipped.
- b) An Independent Business Owner and/or Customer will need to allow up to seventy-two (72) hours for processing after the notice of address change has been received by Life Activated Brands Support Team.

3.2 Training and Leadership

- a) Enrolling Independent Business Owners should have ongoing contact and communication with the Independent Business Owners in their downline organizations. Examples of communication may include but are not limited to, newsletters, written correspondence, telephone, direct contact, team conference calls, voicemail, e-mail, personal meetings, accompaniment of downline Independent Business Owners to Life Activated Brands meetings, training sessions, events, workshops, and any other related functions.
- b) An Enrolling Life Activated Brands Independent Business Owner should monitor the Independent Business Owners in his or her downline organizations to ensure that downline Independent Business Owners do not make improper product or business claims, or engage in any illegal or inappropriate conduct. Upon request, such Independent Business Owner should be able to provide documented evidence to Life Activated Brands of his or her ongoing fulfillment of the responsibilities of an Enroller.
- c) Upline Independent Business Owners are encouraged to educate and train new Independent Business Owners about Life Activated Brands' products and services, effective sales techniques, the Life Activated Brands Compensation Plan, along with compliance with Life Activated Brands Policies and Procedures and any and all social media guidelines or any other guidelines and amendments thereto implemented at that time. Marketing product is a required activity in Life Activated Brands and must be emphasized in all recruiting presentations.
- d) Use of Sales Aids. To promote both the products and the opportunity Life Activated Brands offers, Independent Business Owners are encouraged to use the sales aids and support materials produced or expressly authorized by Life Activated Brands. Independent Business Owners may use and publish marketing materials they design only after such materials have been approved by Life Activated Brands. Unauthorized sales aids or promotional materials, including but not limited to Internet advertising, social media marketing on Facebook, Instagram, and the like, notwithstanding Independent Business Owners' good intentions, is a violation of these Policies and Procedures. Additionally, publishing marketing materials that violate any number of statutes or regulatory laws that govern how Life Activated Brands products or business opportunity may be marketed is a violation of these Policies and Procedures and could be grounds for immediate termination of the publisher's Life Activated Brands Agreement. These violations, although they may be relatively few in number, could jeopardize the Life Activated Brands opportunity for all Independent Business Owners. Accordingly, Independent Business Owners must submit via email all sales aids, promotional materials, advertisements, websites, training material, flyers, along with any other literature to Life Activated Brands Compliance Department for approval prior to use at: compliance@lifeactivated.com. Unless the Independent Business

Owner receives specific written approval to use the material, the request shall be deemed denied. All Independent Business Owners shall safeguard and promote the good reputation of Life Activated Brands and its products. The marketing and promotion of Life Activated Brands, the Life Activated Brands opportunity, the Compensation Plan, and Life Activated Brands products and services shall be consistent with the public interest and must avoid all discourteous, deceptive, misleading, unethical, or immoral conduct or practices.

3.3 Enroller

- a) The Enroller is the person who introduces an Independent Business Owner or Customer to Life Activated Brands, helps them complete their enrollment, and supports and trains those in their downline.
- b) Life Activated Brands recognizes the Enroller as the name(s) shown on the first:
 - (i) Physically signed Independent Business Owner Agreement on file; or
 - (ii) Electronically signed Independent Business Owner Agreement from a website or a Life Activated Brands Independent Business Owner website.
- c) An Independent Business Owner Agreement that contains notations such as “by phone” or the signatures of other individuals (i.e., Enrollers, Spouses, relatives, or friends) is not valid and will not be accepted by Life Activated Brands.
- d) Life Activated Brands recognizes that each new prospect has the right to ultimately choose his or her own Enroller, but Life Activated Brands will not allow Independent Business Owners to engage in unethical enrolling activities.
- e) All active Independent Business Owners in good standing have the right to Enroll others into Life Activated Brands. While engaged in enrollment activities, it is not uncommon to encounter situations when more than one Independent Business Owner will approach the same prospect. It is the accepted courtesy that the new prospect will be enrolled by the first Independent Business Owner who presented a comprehensive introduction to Life Activated Brands products or business opportunity.
- f) In the event of controversy, Life Activated Brands reserves the right to designate a prospect’s Enroller and all such determinations are final.

3.4 Unethical Enrolling

- a) Unethical enrollment activities include, but are not limited to, enticing, bidding, or engaging in unhealthy competition by attempting to acquire a prospect, new Independent Business Owner, or Customer away from a fellow Independent Business Owner or influencing another Independent Business Owner or Customer to transfer to a different Enroller.
- b) Allegations of unethical enrollment must be reported in writing to the Life Activated Brands Compliance Department within the first 30 days of the new Independent Business Owner or Customer enrollment in question. If the reports are substantiated, Life Activated Brands may transfer the Independent Business Owner, the Independent Business Owners downline, or Customer to another Enroller or organization without approval from the current up-line Enroller. Life Activated Brands remains the final authority in such cases.

- c) Life Activated Brands prohibits the act of “Stacking.” Stacking is the unauthorized manipulation of the Life Activated Brands compensation system and/or the marketing plan in order to trigger commissions or cause a promotion off a downline Independent Business Owner or Customer in an unearned manner. One example of stacking occurs when an Enroller places Independent Business Owner(s) or Customer(s) under an inactive downline without his or her knowledge in order to trigger unearned qualification for commissioning purposes. Stacking is unethical and unacceptable behavior, and as such, it is a punishable offense with measures up to and including the termination of the Independent Business Owner positions of all individuals and/or entities found to be directly involved.
- d) Should Independent Business Owners engage in solicitation and/or enticement of members of another direct sales company to sell or distribute Life Activated Brands products and services to, they bear the risk of being sued by the other direct sales company. If any lawsuit, arbitration, or mediation is brought against an Independent Business Owner alleging that they engaged in inappropriate recruiting activity of another company’s sales force or Customers, Life Activated Brands will not pay any of the Independent Business Owner's defense costs or legal fees, nor will Life Activated Brands indemnify the Independent Business Owner for any judgment, award, or settlement.

3.5 Cross Enrolling Prohibition

- a) “Cross Enrolling” is defined as the enrollment into a different line of sponsorship of an individual, or business entity, that already has a signed Independent Business Owner Agreement or has enrolled as a Customer. Actual or attempted Cross Enrolling is not allowed. If cross enrolling is verified by Life Activated Brands, sanctions up to and including termination of an Independent Business Owner position may be imposed.
- b) The use of a Spouse’s or relative’s name, trade names, assumed names, DBA names, corporation, partnership, trust, Federal Business Numbers, or fictitious ID numbers to evade or circumvent this Cross-Enrolling Policy is not permitted.
- c) This Policy does not prohibit the transfer of a Life Activated Brands business in accordance with Life Activated Brands Transfer of Sale or Transfer Policy set forth in these Policies.

3.6 Solicitation for Other Companies or Products

- a) A Life Activated Brands Independent Business Owner and/or Customer may participate in other direct sales, multilevel, network marketing, or relationship marketing businesses or marketing opportunities, as long as it is not a Competing Product as defined herein. However, during the Term of this Agreement and for six (6) months thereafter, a Life Activated Brands Independent Business Owner may not recruit any fellow Life Activated Brands Independent Business Owner or Customer for any other direct sales or network marketing business, unless that fellow Independent Business Owner or Customer was personally Enrolled by such Independent Business Owner.
- b) The term “recruit” means actual or attempted solicitation, enrollment, encouragement, or effort to influence in any other way (either directly or through a third party), another Independent Business Owner or Customer to enroll or participate in any direct sales or network marketing opportunity. This conduct represents recruiting even if the Independent Business Owner's actions are in response to an inquiry made by another Independent Business Owner or Customer.

- c) During the term of this Agreement, any Life Activated Brands Independent Business Owner must not sell or entice others to sell, any competing products or services, including training materials, to Life Activated Brands Customers or Independent Business Owners. Subject to the definition of Competing Products in the Glossary below, any product or service in the same category as a Life Activated Brands product or service is deemed to be competing regardless of differences in cost or quality.
- d) An Independent Business Owner may sell non-competing products or services to the Life Activated Brands Customers and Independent Business Owners that they personally enrolled.
- e) An Independent Business Owner may not display or bundle Life Activated Brands products or services, in sales literature, on a website, or in sales meetings, with any other products or services to avoid confusing or misleading a prospective Customer or Independent Business Owner into believing there is a relationship between the Life Activated Brands and non-Life Activated Brands products and services.
- f) A Life Activated Brands Independent Business Owner may not offer any non-Life Activated Brands opportunity, products, or services at any Life Activated Brands related meeting, live or virtual, event, seminar, or convention that other Life Activated Brands Independent Business Owners or Customers are known to be attending, or immediately following a Life Activated Brands event.
- g) A violation of any of the provisions in this section shall constitute unreasonable and unwarranted contractual interference between Life Activated Brands and its Independent Business Owners and would inflict irreparable harm on Life Activated Brands. In such event, Life Activated Brands may, at its sole discretion, impose any sanction it deems necessary and appropriate against such Independent Business Owner or such Independent Business Owner positions including termination, or seek immediate injunctive relief without the necessity of posting a bond in addition to any other legal remedies to which Life Activated Brands may be entitled.

4.0 AGREEMENTS & GENERAL UNDERSTANDINGS

4.1 Rights Granted

- a) Life Activated Brands hereby grants to the Independent Business Owner a non-exclusive right, based upon the terms and conditions contained in the Agreement to:
 - (i) Purchase Life Activated Brands products and services;
 - (ii) Promote and sell Life Activated Brands products and services; and
 - (iii) Enroll new Independent Business Owners and Customers in countries where Life Activated Brands is currently authorized to do business or becomes authorized to do business in the future.
- b) No feature of the Compensation Plan constitutes a personal purchase requirement to become an Independent Business Owner, move up in rank, or otherwise fully participate

in the Compensation Plan. No product purchase is required of anyone at any time to fully participate as an Independent Business Owner.

4.2 Renewals and Termination of the Independent Business Owner Agreement

- a) If the Independent Business Owner allows his or her Independent Business Owner Agreement to expire due to nonpayment, the Independent Business Owner will lose any and all rights to his, her, or its downline organization unless the Independent Business Owner re-activates within sixty (60) days following the expiration of the Application.
 - (i) If the former Independent Business Owner re-activates within the sixty (60) day time limit, and Life Activated Brands accepts the renewal, the Independent Business Owner will resume the rank and position held immediately prior to the expiration of the Independent Business Owner Agreement. However, such Independent Business Owner paid as level will not be restored unless he, she, and/or an entity qualifies at that payout level in the new month. The Independent Business Owner is not eligible to receive commissions for the time period that the Independent Business Owner position was expired.
 - (ii) Any Independent Business Owner who was terminated or whose Agreement has expired and lapsed the sixty (60) day grace period is not eligible to re-apply for a Life Activated Brands business for six (6) months following the expiration of the Independent Business Owner Agreement.
 - (iii) Upon termination of the Independent Business Owner Agreement, the downline of the expired Independent Business Owner will roll up to the immediate, active upline Enroller, and the expired Independent Business Owner account information will be purged from Life Activated Brands' database. The act of purging an account is not reversible.

4.3 Effect of Termination

- a) Following an Independent Business Owner cancellation for inactivity or voluntary or involuntary termination (collectively, a "cancellation") such Independent Business Owner:
 - (i) Shall have no right, title, claim, or interest to any commission or bonus from the sales generated by the Independent Business Owner's former organization or any other payments in association with the Independent Business Owner's former independent position;
 - (ii) Effectively waives any and all claims to property rights or any interest in or to the Independent Business Owner's former Downline organization; and
 - (iii) Shall receive commissions and bonuses only for the last full pay period in which he or she was active prior to cancellation, less any amounts withheld during an investigation preceding an involuntary cancellation, and less any other amounts owed to Life Activated Brands.

4.4 Modification of the Independent Business Owner Agreement

A Life Activated Brands Independent Business Owner may modify his or her existing Independent Business Owner Agreement (i.e., add a Spouse or partner to the account, or change the form of ownership from an individual to a Business Entity owned by the Independent Business Owner) by submitting a written request, accompanied by a new Independent Business Owner Agreement and the Business Registration Form, if applicable, completed with fresh signatures (not a “crossed out” or “white-out” version of the first Agreement), and any appropriate supporting documentation.

4.5 Unauthorized Transfer & Re-Enrollment

In the event an Independent Business Owner discovers that an Independent Business Owner in their downline has re-enrolled under a different Independent Business Owner, the Independent Business Owner has thirty (30) days from the date the downline Independent Business Owner enrolled under a new Independent Business Owner to notify the Life Activated Brands Compliance department and request the downline Independent Business Owner be transferred back to his/her downline. Upon the expiration of the thirty (30) day notice period, the right to re-claim a new Independent Business Owner to his or her downline will be waived.

4.6 Change of Enrollers for Independent Business Owners and Customers

- a) IBO placement changes/corrections may be requested within a period of 72 hours from the time of enrollment. Such adjustments require written permission directed to the Support Department submitted from the personal back office of the Enroller as well as the Independent Business Owner to be moved and in some cases the upline distributor.
- b) Enroller changes are generally not permitted. However, Enroller corrections can be made if they are reported to the Support Department within 72 hours from the time of enrollment. Enroller corrections must be requested from the distributor back office of the current (original) Enroller, stating the reason that the correction needs to be made.
- c) At the discretion of Life Activated Brands, Independent Business Owners who have not ordered products or services for at least 12 months, and who have not tendered a letter of termination resignation, are eligible to re-enroll in Life Activated Brands under the Enroller of their choice.
- d) Upon written notice to Life Activated Brands that a former Independent Business Owner wishes to re-enroll, Life Activated Brands will “compress” (close) the original account. A new Life Activated Brands ID number will then be issued to the former Independent Business Owner.
- e) Such Independent Business Owner does not retain former rank, downline, or rights to commission from his or her former organizations.
- f) Life Activated Brands reserves the right to correct Enroller errors at any time and in whatever manner it deems necessary in its sole discretion.
- g) Customers may change their enroller at their discretion by contacting support@lifeactivated.com. However, any volume from previous orders that have been placed will remain with the IBO it originated.

4.7 Change Organizations

- a) If a Life Activated Brands Independent Business Owner wishes to transfer organizations, he or she must submit a letter of termination resignation to the Life Activated Brands Customer Service Department and remain inactive (place no orders, or be on an auto-ship) with or in Life Activated Brands for 6 months from the receipt of the letter before being eligible to re-enroll under a different Enroller.
- b) Life Activated Brands retains the right to approve or deny any request to re-enroll after an Independent Business Owner termination.
- c) If re-enrollment is approved, the former Independent Business Owner will be issued a new Life Activated Brands ID number and will be required to submit a new Independent Business Owner Agreement. The Independent Business Owner will not be entitled to keep any former rank, downline, or rights to commission from any prior organization.
- d) Once an Independent Business Owner has resigned from Life Activated Brands, the former Independent Business Owner is prohibited from selling any remaining products online or otherwise and will be subject to a fine for any violations.

4.8 Voluntary Termination

- a) An Independent Business Owner may immediately terminate his or her position by submitting a written notice or email to the Life Activated Brands Compliance Department at compliance@lifeactivated.com. The written notice must include the following:
 - (i) A statement of the Independent Business Owner's intent to terminate the Agreement and date of termination
 - (ii) Life Activated Brands Identification Number
 - (iii) Reason for terminating
 - (iv) A Life Activated Brands Independent Business Owner may not use termination as a way to immediately change Enroller. Instead, the Independent Business Owner who has voluntarily terminated is not eligible to reapply for a position or have any financial interest in a or any Life Activated Brands business for 6 months from the receipt of the written notice of termination
 - (v) Independent Business Owner Signature.

4.9 Involuntary Termination

- a) Life Activated Brands reserves the right to terminate an Independent Business Owner position for, but not limited to, the following reasons:
 - (i) Violation of any provision of the Independent Business Owner Agreement, which includes the most current version of these Policies & Procedures then in effect, and the most current version of the Compensation Plan then in effect; or
 - (ii) Violation of any applicable law, ordinance, or regulation related to the Independent Business Owner Life Activated Brands business; or

- (iii) Engaging in unethical business practices or violating standards of fair dealing; or
 - (iv) Returning over \$500 worth of products, services, and/or sales tools for a refund within a 12-month period.
- b) Life Activated Brands will notify the Independent Business Owner in writing by certified mail, return receipt requested, or overnight documented mail, at his or her last known address of its intent to terminate the Independent Business Owner position and the reasons for termination. The Independent Business Owner will have 15 calendar days from the date of mailing of such notice to respond in writing to the allegations or claims constituting cause for termination as stated in the notice. Life Activated Brands will then have 30 calendar days from the date of receipt of the Independent Business Owner's response to render a final decision as to termination.
 - c) If a decision is made by Life Activated Brands to terminate the Independent Business Owner Agreement, Life Activated Brands will inform the Independent Business Owner in writing that the Independent Business Owner Agreement is terminated effective as of the date of the written notification.
 - d) If the termination is not rescinded, the termination will be effective as of the date of the original termination notice by Life Activated Brands. The former Independent Business Owner shall thereafter be prohibited from using the names, marks or signs, labels, stationery, advertising, or business material referring to or relating to any Life Activated Brands products or services. Life Activated Brands will notify the active Upline Enroller within 10 days after termination. The organization of the terminated Independent Business Owner will "roll up" to the active Upline Enroller on record.
 - e) The Life Activated Brands Independent Business Owner who is involuntarily terminated by Life Activated Brands may not reapply for a position, either under his or her present name or any other name or entity, without the express written consent of an officer of Life Activated Brands, following a review by the Life Activated Brands Compliance Committee. In any event, such Independent Business Owner may not re-apply for a position for 12 months from the date of termination.

its directors, officers, employees, product suppliers, and agents from any and against all liability including judgments, civil penalties, refunds, lawyer fees, and court costs incurred by Life Activated Brands as a result of the Independent Business Owner unauthorized representations or actions. 5.3 Insurance

Business Pursuits Coverage. Life Activated Brands encourages Independent Business Owners to arrange insurance coverage for their business. A homeowner's insurance policy does not cover business-related injuries, or the theft of, or damage to, inventory or business equipment. In most instances, this may be accomplished with a "Business Pursuit" endorsement to an existing homeowner's policy.

6.5 One Life Activated Brands Business Per Independent Business Owner

An Independent Business Owner may operate or have an ownership interest, legal or equitable, as a sole proprietorship, partner, shareholder, trustee, or beneficiary, in only one (1) Life Activated Brands business. No individual may have, operate or receive compensation from more than one Life Activated Brands business. Individuals of the same family unit may each enter into or have an interest in their own separate Life Activated Brands businesses, only if each subsequent family position is placed frontline to the first family member enrolled. Each position must actively be building their independent position or the position will be deemed to be stacking.

6.6 Actions of Household Members or Affiliated Parties

If any member of an Independent Business Owner's immediate household engages in any activity which, if performed by the Independent Business Owner, would violate any provision of the Agreement, such activity will be deemed a violation by the Independent Business Owner and Life Activated Brands may take disciplinary action pursuant to these Policies and Procedures against

the Independent Business Owner. Similarly, if any individual associated in any way with a corporation, partnership, trust, or other entity (collectively "Business Entity") violates the Agreement, such action(s) will be deemed a violation by the Business Entity, and Life Activated Brands may take disciplinary action against the Business Entity. Likewise, if an Independent Business Owner enrolls in Life Activated Brands as a Business Entity, each Affiliated Party of the Business Entity shall be personally and individually bound to and must comply with, the Terms and Conditions of the Agreement.

- b) A Life Activated Brands Independent Business Owner may not sell or assign his or her rights or delegate his or her position as an Independent Business Owner without prior written approval by Life Activated Brands, which approval will not be unreasonably withheld. Any attempted sale, assignment, or delegation without such approval may be voided at the discretion of Life Activated Brands.
- c) Should the sale be approved by Life Activated Brands, the Buyer of the selling Independent Business Owner position ("Seller") assumes the position of the Seller at the current qualified title, but at the current "paid as" rank, at the time of the sale and acquires the Seller's Downline.
- d) To request corporate authorization for a sale or transfer of a Life Activated Brands position, the following items must be submitted to the Life Activated Brands Compliance Department:
 - (i) Life Activated Brands' Sale/Transfer of Position Form properly completed, with the requisite signatures.
 - (ii) A copy of the Sales Agreement between Buyer and Seller, signed, dated, and notarized by both the buyer of Seller's position ("Buyer") and Seller.

6.9 Separating a Life Activated Brands Business

- a) Pending a divorce or dissolution of a Business Entity, the parties must adopt one of the following methods of operation:
 - (i) One of the parties may, with the written consent of the other(s), operate the Life Activated Brands business whereby the relinquishing Spouse (which term herein means either an individual that is legally married or an individual that is party to a legally recognized common-law relationship), shareholders, partners, members or trustees ("Relinquishing Party") authorize Life Activated Brands to deal directly and solely with the other Spouse, non- relinquishing shareholder, partner, member or trustee;
 - (ii) The parties may continue to operate the Life Activated Brands business jointly on a "business as usual" basis, whereupon all compensation paid by Life Activated Brands will be paid in the name designated as the Independent Business Owners or in the name of the entity to be divided, as the parties may independently agree between them. If no name is stipulated, Life Activated Brands will pay compensation to the name on record and in such event, the Independent Business Owner named on the account shall indemnify Life Activated Brands from any claims from the other business owner(s) or the other Spouse with respect to such payment.
- b) Life Activated Brands recognizes only one Downline Organization and will issue only one commission payment transfer per Life Activated Brands business per commission cycle. Under no circumstances will the Downline of an organization be divided, nor will Life Activated Brands split commission and/or bonuses.
- c) If a relinquishing Spouse, partner, or owner of the business has completely relinquished, in writing, all rights to the original Life Activated Brands business, he or she may immediately thereafter re-enroll under the Enroller of his or her choice. In such cases, however, the Relinquishing Party shall have no rights to, and shall not solicit, any Independent Business Owner or active Customer in the former organization and must develop a new business in the same manner as any other new Life Activated Brands Independent Business Owner. An Independent Business Owner in the Relinquishing Party's former Downline who wishes to transfer to the Relinquishing Party's new organization or to any other organization must comply with the requirements in Section 4.0.

6.10 Succession

- a) The Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.
- b) Upon the death or incapacity of an Independent Business Owner, the Independent Business Owner's business may be passed on to his or her legal successors in interest ("Successor"). Whenever a Life Activated Brands business is transferred by will or other testamentary process, the successor acquires the right to collect all bonuses and commissions of the deceased Independent Business Owner sales organization. The Successor must:
 - (i) Complete and sign a new Life Activated Brands Independent Business Owner Agreement;
 - (ii) Comply with the terms and provisions of the Independent Business Owner Agreement; and
 - (iii) Meet all of the qualifications for the last rank achieved by the former Independent Business Owner.
- c) Bonus and commission of a Life Activated Brands business transferred based on this section will be paid in a single transfer to the successor. The successor must provide Life Activated Brands with an address of record to which all bonus and commission payments will be sent. Payments will be based on the current performance of the position, not the highest rank or volume achieved.
- d) If the business is bequeathed to joint devisees, they must form a business entity and acquire a federal Business Number. Life Activated Brands will issue all bonus and commission payments to the managing business entity only.
- e) Appropriate legal documentation must be submitted to Life Activated Brands Compliance Department to ensure the transfer is done properly. To affect a testamentary transfer of a Life Activated Brands business, the Successor must provide the following to Life Activated Brands Compliance Department:
 - (i) A certified copy of the death certificate; and
 - (ii) A notarized copy of the will or other appropriate legal documentation establishing the successor's right to the Life Activated Brands business.
- f) To complete a transfer of the Life Activated Brands business because of incapacity, the Successor must provide the following to the Life Activated Brands Compliance Department:
 - (i) A notarized copy of an appointment as trustee;
 - (ii) A notarized copy of the trust document or other appropriate legal documentation establishing the trustee's right to administer the Life Activated Brands business; and
 - (iii) A completed Independent Business Owner Agreement executed by the trustee.

- g) If the Successor is already an existing Independent Business Owner, Life Activated Brands will allow such Independent Business Owner to keep his or her own position plus the inherited position active for up to six (6) months. By the end of the six (6) month period, the Independent Business Owner must have compressed (if applicable), sold, or otherwise transferred either the existing position or the inherited position.
- h) If the Successor wishes to terminate the Life Activated Brands position, he or she must submit a notarized statement stating the desire to terminate the position, along with a certified copy of the death certificate, appointment as trustee, and/or any other appropriate legal documentation.
- i) Upon written request, Life Activated Brands may grant a one-month bereavement waiver and pay out at the last "paid as" rank.

7.0 DISCIPLINARY ACTIONS

7.1 Imposition of Disciplinary Action - Purpose

It is the spirit of Life Activated Brands that integrity and fairness should pervade among its Independent Business Owners, thereby providing everyone with an equal opportunity to build a successful business. Therefore, Life Activated Brands reserves the right to impose disciplinary sanctions at any time, when it has determined that an Independent Business Owner has violated the Agreement or any of these Policies and Procedures or the Compensation Plan as they may be amended from time to time by Life Activated Brands in accordance herewith.

7.2 Consequences and Remedies of Breach

- a) Disciplinary actions may include one or more of the following:
 - (i) Monitoring an Independent Business Owner's conduct over a specified period of time to assure compliance;
 - (ii) Issuance of a written warning or requiring the Independent Business Owner to take immediate corrective action;
 - (iii) Imposition of a fine (which may be imposed immediately or withheld from future commission payments) or the withholding of commission payments ("Commission Hold") until the matter causing the Commission Hold is resolved or until Life Activated Brands receives adequate additional assurances from the Independent Business Owner to ensure future compliance;
 - (iv) Suspension from participation in Company or Independent Business Owner events, rewards, or recognition;
 - (v) Suspension of the Life Activated Brands Independent Business Owner Agreement and position for one or more pay periods;
 - (vi) Involuntary termination of the Independent Business Owner Agreement and position;

- (vii) Any other measure which Life Activated Brands deems feasible and appropriate to justly resolve injuries caused by the Independent Business Owner Policy violation or contractual breach; or
- (viii) Legal proceedings for monetary or equitable relief.

7.3 Suspension Procedures

a) First Violation: Counseling and initial warning letter.

A first violation usually occurs because the Independent Business Owner is not familiar with the Policies and Procedures or the law. Counseling and the initial warning provide an opportunity for Compliance to bring to the attention of the Life Activated Brands the Policies and Procedures and the specific violation, and to provide counseling on complying with the Policies and Procedures and applicable laws. Compliance will also describe expectations and steps the Independent Business Owner must take to resolve the violation including, but not limited to, either removing or revising the non-compliant claim or how to remedy other policy violations. Within three days of this notice, Compliance will determine if the non-compliant material or other policy violation has been remediated. If so, Compliance will close the file. If not, Compliance will proceed to the 2nd Violation notice described below.

b) Second Violation: Second warning letter and temporary suspension

Although it is hoped that the Independent Business Owner will promptly correct the violation(s), Life Activated Brands recognizes that this may not always occur. The second written warning indicates the seriousness of repeated violations and will prompt a temporary suspension of the Independent Business Owner account. During the suspension period, the Independent Business Owner waives any and all rights to Pay-Out and must submit a signed reinstatement letter wherein the Independent Business Owner acknowledges the violation(s) and describes the steps taken to correct the violation(s). Once the reinstatement letter is accepted by Life Activated Brands, the suspension will be lifted, and the Independent Business Owner will be able to request a Pay-Out. The Independent Business Owner may be subject to additional discipline up to and including termination if the violation is not remedied or further violations occur.

c) Third Violation: Suspension and final written warning

Repeated violations of the Policies and Procedures are very problematic and potentially harmful. Therefore, the most effective and prudent action is suspension of the Independent Business Owner and forfeiture of commissions for at least a month. The final written warning letter will include notification of such suspension, the extent of the commission forfeiture, and an indication that if the Independent Business Owner violates the Policies and Procedures again, the Independent Business Owner will be terminated immediately.

d) Fourth Violation: Termination

As described above, Life Activated Brands will try to exercise the progressive nature of the Discipline Policy by first providing warnings, a final written warning, and suspension and commissions forfeiture before proceeding to termination; however, Life Activated Brands reserves the right to combine and omit steps depending on the circumstances of each situation and the nature of the violation. Furthermore, Independent Business Owner may

be terminated without prior notice or disciplinary action, as authorized by the Policies and Procedures.

8.0 DISPUTE RESOLUTION

8.1 Grievances Against Another Independent Business Owner

- a) If a Life Activated Brands Independent Business Owner has a grievance or complaint against another Independent Business Owner regarding any practice or conduct relating to their respective Life Activated Brands businesses, he or she is encouraged to resolve the issue directly with the other party. If an agreement cannot be reached, it must be reported directly to the Life Activated Brands Compliance Department as outlined below in this Section.
- b) The Life Activated Brands Compliance Department will be the final authority on settling such grievance or complaint and its written decision shall be final and binding on the Independent Business Owners involved.
- c) Life Activated Brands will confine its involvement to disputes regarding Life Activated Brands' business matters only. Life Activated Brands will not decide on issues that involve personality conflicts or unprofessional conduct by or between Independent Business Owners outside the context of a Life Activated Brands business. These issues go beyond the scope of Life Activated Brands and may not be used to justify an Enroller change or a transfer to another Life Activated Brands organization.
- d) Life Activated Brands does not consider, enforce, or mediate third-party agreements between Independent Business Owners, nor does it provide names, funding, or advice for obtaining outside legal counsel.
- e) Process for Grievances:

 - B. Specific facts to support the allegations;
 - C. Dates;
 - D. Number of occurrences;
 - E. Persons involved; and
 - F. Supporting documentation.
 - (ii) Upon receipt of the written complaint, Life Activated Brands will conduct an investigation according to the following procedures:

- A. The Compliance Department will send an acknowledgment of receipt to the complaining Independent Business Owner;
 - B. The Compliance Department will provide a verbal or written notice of the allegation to the Independent Business Owner under investigation. If a written notice is sent to the Independent Business Owner, he or she will have 10 business days from the date of the notification letter to present all information relating to the incident for review by Life Activated Brands.
 - C. The Life Activated Brands Compliance Department will thoroughly investigate the complaint, and consider all the submitted information it deems relevant, including information from collateral sources. Due to the unique nature of each situation, determinations of the appropriate remedy will be on a case-by-case basis, and the length of time to reach a resolution will vary.
 - D. During the course of the investigation, the Compliance Department will only provide periodic updates simply stating that the investigation is ongoing. No other information will be released during this time. Independent Business Owner calls, letters, and requests for “progress reports” during the course of the investigation will not be answered or returned.
- f) Life Activated Brands will make a final decision and timely notify the Life Activated Brands Independent Business Owners involved.

8.2 Mediation Disputes Between an Independent Business Owner and Life Activated Brands

- a) Independent Business Owner and Life Activated Brands (collectively “the Parties”) recognize disputes and differences may arise between the Parties and therefore agree it is in their best interest to appoint an impartial mediator to resolve such disputes as they arise. Mediation of a dispute may allow the parties to avoid the cost and inconvenience of litigation in court.
- b) The Parties should exchange all documents pertinent to the relief requested. The Mediator may request the exchange of memoranda and other information; items that a party wishes to keep confidential may be sent to the Mediator in a separate communication.
- c) The Mediator shall not be a legal representative of any party.
- d) Unless otherwise agreed to by the Parties, the mediation shall take place in Collin County, Texas, on a date that is mutually agreeable among the Parties and mediator. Participation in the mediation by telephone will be permitted to prevent inconvenience to a party.
- e) The mediator shall allow the Parties to be represented by their respective advocates, who have the authority to consummate a settlement. Any party may participate without representation (pro se).
- f) Mediation sessions and related mediation communications are private proceedings. For this reason, only the Parties and their legal representatives may attend mediation sessions. Other persons may attend only with the permission of the Parties and with the consent of the mediator.

- g) Each Party will pay its own costs and expense of the mediation unless the Parties agree otherwise.
- h) The Parties agree that all mediation communications are privileged and not subject to discovery or admissible in evidence in a proceeding unless waived or precluded by both Parties or unless the evidence would otherwise be admissible or subject to discovery if it were not by reason of its disclosure or use in mediation.
- i) Jurisdiction and venue of any controversy or claim brought under this mediation provision shall be in Collin County, Texas. The Parties further agree that the laws of the State of Texas shall govern all matters, claims, or controversy submitted to mediation pursuant to the Agreement.

8.3 Severability

If any provision of these Policies and Procedures is found to be invalid, or unenforceable for any reason, only the invalid provision shall be severed. The remaining terms and provisions hereof shall remain in full force and shall be construed as if such invalid or unenforceable provision never had comprised a part of these Policies and Procedures.

8.4 Waiver

- a) Only an officer of Life Activated Brands can, in writing, affect a waiver of the Life Activated Brands Policies and Procedures. Life Activated Brands' waiver of any particular breach by an Independent Business Owner shall not affect Life Activated Brands' rights with respect to any subsequent breach, nor shall it affect the rights or obligations of any other Independent Business Owner.
- b) The existence of any claim or cause of action of an Independent Business Owner against Life Activated Brands shall not constitute a defense to Life Activated Brands' enforcement of any term or provision of these Policies and Procedures.

8.5 Governing Law

The Parties agree that jurisdiction and venue of any controversy or claim arising from the Agreement or between Life Activated Brands and Independent Business Owner shall be in Collin County, Texas. The law of the State of Texas shall govern all matters relating to or arising from the Agreement or between Life Activated Brands and Independent Business Owner.

8.6 Class Action Waiver

- a) The parties expressly intend and agree that:
 - (i) Class action and representative action procedures are hereby waived and shall not be asserted, nor will they apply, in any court or arbitration; and
 - (ii) The parties will only submit their own, individual claims in any court or arbitration and will not seek to represent the interests of any other person.
- b) The court or arbitrator is not empowered to consolidate claims of different individuals into one proceeding, to hear any litigation or arbitration as a class action.

- c) I agree that I will not assert class or collective action claims against the Company in arbitration, court, or otherwise, nor will I join or serve as a member of a class or collective action in arbitration, court, or otherwise.
- d) I understand that this means that there will be no right or authority for any dispute to be brought, heard, or arbitrated as a class or collective action by me or the Company.

9.1 Bonus and Commission Qualifications

- a) An Independent Business Owner must be active and in compliance with any and all Life Activated Brands Policies and Procedures set forth herein, along with all guidelines implemented to qualify for bonuses and commissions. 9.3 Adjustments to Bonuses and Commissions for Returned Products or Independent Business Owner Memberships

- a) An Independent Business Owner receives bonuses and commissions based on the actual sales of products and services to end consumers and to Independent Business Owners through product and service purchases. When a product or service is returned to Life Activated Brands for a refund from the end consumer or by an Independent Business

Owner, the bonuses and commissions attributable to the returned product or service will be deducted from the Independent Business Owner who received bonuses or commissions on such sales. Deductions will occur in the month in which the refund is given and continue every pay period thereafter until the bonus/and or commission is recovered.

- b) In the event that an Independent Business Owner terminates his or her position, and the amounts of the bonuses or commissions attributable to the returned products or services have not yet been fully recovered by Life Activated Brands, the remainder of the outstanding balance may be offset against any other amounts that may be owed by Life Activated Brands to the terminated Independent Business Owner.

- b) Life Activated Brands requires that Independent Business Owners use their own credit cards and not allow others to use them. An Independent Business Owner shall not use another Independent Business Owner or Customer's credit card or debit account to enroll in Life Activated Brands or purchase products, services, or SmartShip without the account holder's written permission. Such documentation must be kept by the Independent Business Owner indefinitely in case Life Activated Brands needs to reference this.

ADDENDUM 2

Income Disclosure Statement

INCOME DISCLOSURE STATEMENT

The Life Activated Brands Compensation Plan is an exciting opportunity that rewards you for selling products and services and enrolling other participants who do the same. Although the opportunity is unlimited, individual results will vary depending on the commitment levels and sales skills of each participant. Since Life Activated Brands has recently launched, it lacks enough statistical data to prepare reliable income disclosures. There will be certain participants who will earn less while others will earn much more. We're excited about the Life Activated Brands Compensation Plan and we're confident it will provide you a solid foundation to help you achieve your financial goals. As with all endeavors, hard work and the time you dedicate impact outcomes.

If income projections were presented to you prior to your enrollment, such projections are not necessarily representative of the income, if any, that you can earn through your participation in the Compensation Plan. These income projections should not be considered as guarantees or projections of your actual earnings or profits. Success with Life Activated Brands results only from hard work, dedication, and leadership.
